

SPECIALISTS

Child and Adolescent Health Specialists is part of the MGH Brigham (MGB) provider organization. Providers may be out of your insurance network which may cost you more for services. Please check to see if the practitioner is covered by your insurance. Your health insurance has a toll-free number and website on your card where you can verify that a provider is in your insurance network and what the allowed or estimated cost to you will be.

For new patients of Mass General Hospital for Children (MGHfC) you will need to register first at 866.211.6588.

Check before scheduling an appointment.
